Revised and updated: January 2015

### To Whom It May Concern:

The NHS Practitioner Health Programme (PHP) charges the following fees for providing written reports:

Service	Fee
<b>Report requested by Occupational Health Physician (or other NHS clinician)</b>	£75 fixed fee
<b>Report requested by General Medical Council</b>	£153 fixed fee
<b>Report requested by Solicitor, Defence Organisation, or Insurance Company</b>	£202.50 per hour, charged in units of 30 minutes (minimum charge one hour)  Most reports commissioned from PHP will take up to three hours. Where it is anticipated that a report will take more than three hours, this will be discussed beforehand with the person requesting the report.

Fees for additional services not listed above will be charged in line with BMA recommendations (see <http://bma.org.uk/>). Where there is no listed fee, a fee will be agreed in advance of the service being provided.

The person requesting the service will be sent an invoice which will include all the relevant payment details.

Please direct all queries to the PHP Office:
